**Designated Highways**

I understand that it is my responsibility to operate only on municipal roadways designated under the Pilot Project (Golf Carts) Bylaw.

**Duty to Report**

Like all drivers, golf cart operators must report collisions to police when damage is above the \$5,000 threshold, or there are injuries or fatalities. Under the Regulation, golf cart operators have an additional reporting requirement. Collisions resulting in property damage of any amount, or injury or death must be promptly reported to the municipality.

**Production of Documents**

A copy of this permit shall be carried in the golf cart and produced upon request of a Peace Officer. Failure to do so may result in enforcement action being taken against the owner or operator as if no permit was in effect. A digital copy may be carried on a phone or other electronic device.

**Validation Sticker**

The accompanying validation sticker issued with this permit shall be displayed on the Golf Cart at all times when operated on a municipal roadway. The sticker shall be clear and legible, and free of obstructions. The sticker shall be displayed on the front driver's side of the vehicle and visible from a distance of 10 meters.

**Assumption of Risk and Liability**

I agree to abide by all conditions of the Traffic Safety Act, the Pilot Project (Golf Carts) Regulation, and Whispering Hills Pilot Project (Golf Carts) Bylaw, all as amended from time to time. By obtaining this permit, I agree that I am liable as the owner of the golf cart for any use contrary to these rules and regulations. I further understand that my permit may be revoked or cancelled at any time for noncompliance. I assume all risk and liability associated with the operation of this golf cart for myself and all operators and passengers. I agree to indemnify and hold harmless the Summer Village of Whispering Hills, its agents, or employees from all claims, damages, and expenses (including legal fees on a solicitor and own client basis) resulting from the operation of a golf cart, including damages, claims, and expenses resulting from damage to property, personal injury, or death.
